You're like sugar  
The sweetest words  
You like to say  
You're like sugar  
And sugar makes my day

You're like sugar  
The sweetest words  
You like to say  
You're like sugar  
And sugar makes my day  
And it feels like

You're like sugar  
The sweetest lips,  
Don't wanna waste  
This kind of sugar  
It's all I wanna taste

You're like sugar  
The sweetest lips,  
Don't wanna waste

This kind of sugar  
It's all I wanna taste  
And it tastes like

Haah, da da da da da  
You're like sugar

The sweetest flavor  
On your tongue  
You're like sugar  
How can that be wrong?

You're like sugar  
The sweetest flavor  
On your tongue  
You're like sugar  
How can that be wrong?  
And feels like

Hmm, da da da da  
Ouhh, da da da da  
Haah, da da da da da  
You're like sugar  
Hmm, da da da da  
Ouhh, da da da da  
Haah, da da da da da  
You're like sugar
