

What Is This?

Looking in Anna's
Bright brown eyes.
Never thought you would
Have to tell her
All those lies.
Kids, they ask
The questions right.
Like, what is this?

Explaining what's been
Going on.
How to teach her,
What is right and what is wrong,
When you can't face
The truth yourself.
Say, what is this?

Under water, underground
Where to turn,
What's that sound?
Where is up
And where is down?
What is this,
This asymmetry?

A lot of things've been
Bothering you
Some people have nothing
And some don't know
What next to buy that's new!
How hatred has no rules,
No bounds
What is this?

There's pain and violence
And despair
Cruel injustice reigns
And rages far and near
Nothing is as straight
As it should be
What is this? What is this?
This asymmetry?

Under water, underground
Where to turn,
What's that sound?
Where is up
And where is down?
What is this?

This asymmetry
Asymmetry
Yeah!
Yeah!

Under water, underground
Where to turn,
What's that sound?
Where is up
And where is down?
What is this?
This asymmetry?

What is this?
This asymmetry?

What is this?
Asymmetry, asymmetry, yeah!
This asymmetry?
