

When You Come to Me

When you're feelin'
Sad and all alone
Just give me a call
If you ever
Trip or slip on your path
I'll catch you, when you fall

If you ever feel like
Freezing in this
Cold and unforgiving world,
My arms are pretty cosy
And warm
If you feel like
Life is taking you,
Where you are not
Supposed to go
I'll help you,
I'll do you no harm

Oh, let me know
I'll show you the way
When you come to me
Oh, let me know
Da da da da da da
Tell me, when you come to me

When you feel
Like you're lost
in a deep dark pit
Don't worry, I have light
I promise, I will
Show you the way out of it
Take my hand
And hold it tight

If you feel like
No one understands
The precious things
You gotta say
I speak your language
And I'll stay
If you feel like
Fate has blinded you
Is blocking your thorough view
I'll help you,
If you need me to

Oh, let me know
I'll show you the way
When you come to me
Oh, let me know
Da da da da da da
Tell me, when you come to me

I'll try to be a rock for you
Whatever happens,
I'll be there for you
I'll do what I can,
Whatever it takes
You only need to come to me

Oh, let me know
I'll show you the way
When you come to me
Oh, let me know
Dadadadada
Tell me, when you come to me

Oh, let me know
I'll show you the way
When you come to me
Oh, let me know
Da da da da da da
Tell me, when you come to me
